碩士論文

Master Program, Department of Information Management
College of Business
Chinese Culture University
Master Thesis

應用差分演化法建構最低位元
置換矩陣之研究

Study of constructing least-significant-bits
substitution matrix using
differential evolution

A circular watermark seal is centered behind the English title. It contains the text "University Library" at the top, "中國文化大學" (Chinese Culture University) in the middle, and "圖書館" (Library) at the bottom. There are also two small star symbols on either side of the university name.
